

## INFORMATIONAL MEETING

### PROPOSED GOOSE ROCKS BEACH ORDINANCE

THURSDAY, AUGUST 9, 7:00PM  
CONSOLIDATED SCHOOL

The Board of Selectmen will hold a special meeting to present information on a proposed Goose Rocks Beach ordinance. The ordinance would create a new Beach Advisory Committee that would have responsibility for implementing the ordinance, and overseeing the management and operation of the beach.

Under the proposed ordinance the Town would enter into a beach use agreement with individual beachfront property owners that would acknowledge the private ownership of the beach and confirm the right of the public to use the beach for general recreational purposes. The ordinance and the beach use agreement are products of a court-mediated effort to resolve the Goose Rocks Beach lawsuit.

Although implementing this ordinance does not stop the lawsuit from proceeding to trial, it will ensure that the majority of the beach area along the entire length of the beach will continue to be available to the public for recreational use.

Please make plans to attend this important meeting on Thursday night. Those residents who are registered voters in Kennebunkport should also make plans to attend a meeting to vote on the proposed ordinance as follows:
